Siobhan Dunn is the Global Head of Project Management for Morgan Stanley's Bank Resource Management division. In this role, she manages various projects including those focusing on capital and balance sheet optimization as well as operational risk mitigation. Additionally, she coordinates the division's New Products Approval Functional Review Process. She joined the firm in 2010.

Prior to Morgan Stanley, She served as the Director of Operational Risk Management, Americas for Dresdner Bank. She joined in 1996 as a mortgage repo trader and served as the Chief Administrative Officer for Global Debt and Business Manager for Capital Markets. During this time, she ran the New Products Initiative Committee, NY. She then headed the Program Management Office.

Prior to Dresdner Kleinwort, Ms. Dunn traded Mortgage Treasury Options and GNMA's at Lehman Brothers and Money Markets for off-shore funding at the First National Bank of Boston.

Ms. Dunn holds a B.A. in English Literature from Georgetown University and an MBA in Finance from New York University's Stern School of Business Management..
